Hi Robert and Nikia-

Attached is the draft of the Montana Pole Community Involvement Plan for your review. There are some comments specifically for you to address. As this has already taken longer than we anticipated, please let me know what sort of timeline will work for you for review so we can plan ahead. Also attached are the interview questions, as I haven't made them part of the document yet, but you will see a spot for them in the appendix.

Thanks!
